

E55BT

Wireless over-ear headphones

Sound that moves you, when you're on the move.

JBL E55BT wireless over-ear headphones bring the signature sound of JBL right to your ears. The E55BT is one of our most versatile packages ever, featuring up to 20 hours of battery life and an innovative, stylish fabric headband that emphasises your fashion quotient. The ergonomic around-ear design means that your entertainment continues and your fun factor gets amped up no matter what you're doing – working, commuting, or just making your way around town. Multi-device connectivity allows you to seamlessly switch between two devices, so you never miss a call. With a sleek appearance, various color options and the added convenience of a detachable cable with remote and microphone, you'll never want to be seen without your E55BT headphones.

- ▶ Improved ergonomic design

E55BT

Wireless over-ear headphones

Features and Benefits

JBL Signature Sound

JBL Signature Sound delivered by powerful 50mm drivers in a sleek, stylish design.

Up to 20-hour battery life

Enjoy an entire day or more of wireless audio without having to plug your headphones back in to charge.

Two-hour recharge time

A rapid two-hour charging gets you up to 20 hours of audio playback.

Seamlessly switch between devices

Effortlessly switch from music on your portable device to a call from your phone, so that you never miss a call.

Comfort-fit fabric headband

Comfort-fit and stylish fabric headband complements the sleek look of the headphones.

Sound controls on ear-cup

In wireless mode, ear cup controls offer convenient management of music and calls.

Tangle-free fabric cable

An innovative, tangle-free cord design with angled plug means untangling is a thing of the past.

One-button universal remote with microphone

In wired mode, the bundled cable, which is compatible with most smartphones, allows for easy music control and hands-free calls.

Improved ergonomic design

Form-fitting, comfortable ear cushions so your headphones stay put while you enjoy your music – even when you're on the go.
